

BEYOND AN MBA

Building IIT Gandhinagar's Management Ecosystem

The 3C Model: Culture, Credentials and Career

Presented by: Ashwini Mane and Sunkara Anuradha

STRATEGIC ROADMAP

CULTURE FIRST (Pathway 4)

Build the foundation by creating a strong management culture and ecosystem.

COURSE CERTIFICATION EXPANSION (Pathway 3)

Launch specialized courses and certifications to build demand and general early revenue.

INDUSTRY PARTNERSHIP (Pathway 5)

Leverage partnerships to enhance curriculum, credibility and placement opportunities.

FULL-FLEDGED DEGREE PROGRAM (Pathway 1)

Launching full-fledged innovative management degree program on a validated foundation.

CURRENT CHALLENGES

- Low student participation in existing offerings
- Limited industry connectivity
- Weak management brand positioning
- High financial risk of direct expansion

WHY THIS STRATEGY?

Builds a strong ecosystem and student demand before large-scale investment.

- ✓ Minimizes implementation risk through a phased, validated approach.
- ✓ Ensures industry relevance through continuous collaboration.
- ✓ Generates early revenue via executive education and certifications.
